A. Please comment on the following areas and be as specific as possible:

1. What are the instructor's teaching strengths?
 - Brings good qual questions.
 - Encourage people to discuss topics and questions even outside the lecture hour.
 - 1 blank answer(s).
2. How can this instructor improve as a teacher?
 - Devote more time to the class; stop boasting about how you "only spend one hour preparing" but get paid for 20x that.
 - Thanks for grading the HW. it helps us to make sure we are doing it right
 - Would like to see more complete, and detailed explanation of questions.
3. Any other comments about this course?
 - I feel as if I have wasted three entire quarters with this class. What little analysis I have learned I have no common thread with which to tie everything together. I feel as if I have just been given a library's worth of information and no index to organize it. I know fact A and fact B, but I never learned why A and B are related and how to apply them to anything else. I came into this class thinking I liked analysis and now feel exactly the opposite.
 - 2 blank answer(s).

B. Please choose the appropriate rating on the letter grade scale A to F:
