Please comment on the following areas and be as specific as possible.

9. What are the TA's strengths?

- Covers a lot of material in the hour and teaches the material well. You were very easy to understand.
- Enthusiasm, clear presentation of information
- Funny, engaging, loud, writing is clear. Concepts are clear.
- good
- good at explaining and making class fun
- He's very good at explaining and teaching us the material from lecture. He makes up for what the teacher does not do.
- He can explain the material sort of well.
- He explains thoroughly. Examples are easy to understand and he answers questions that students may have with enthusiasm. He gets the class to participate at times.
- His enthusiasm and clear explanations.
- If it were not for Yuki, the whole class would fail. Yuki also has an accent but he works hard and cares to make sure we are understanding him. He makes sure we know what we need to.
- I like how TA was very interactive and engaged into teaching and communicating with the students.
- Passionate, clear

- Very clear & helpful, easy to understand. Spoke loudly and had good enunciation, could hear even from the back of the classroom. Writing was easy to read and follow. Covered all the main points in the course.
- Yuki is very good at explaining concepts, he makes everything very clear and concise when he teaches. He always lets us know what to expect on the quizzes before we take them so we feel more prepared and ready. Goes over main concepts in the very little time period we have for discussion. Great TA!
